

Water Valley School District

2020-2021 Mastery of Content Learning Plan

The virtual instruction model will be utilized if a parent chooses this model or a student or group of students in a traditional classroom setting are quarantined due to COVID-19. In such cases, students will be able to return to the traditional classroom setting once the allotted quarantine time expires. Students that choose to do the virtual learning will follow the same guidelines and protocol set within a traditional school setting. Student grades and promotion will be determined by WVSD policy. Students will be required to meet all academic standards that traditional students have to meet. Rigor, pace, and assessments will continue through the Water Valley School District's Learning Management System (Google Classroom).

The following applies to *all students* enrolled in Water Valley School District:

- The WVSD Board approved school calendar will be followed.
- An academic baseline will be determined:
 - GAP assessments and screeners will be administered at the start of the school year
 - School teams will identify students' academic progress and revise existing plans as needed (includes IEP, 504, MTSS, etc.)
- Additional instructional supports will be provided for:
 - Students identified by state and school assessments, screeners, and formative assessments as at-risk academically
 - Students who teachers determine based on student work and observation are in need
 - Students who are two or more years behind
 - Students at risk of not graduating
- Any learning lost during the spring semester will be addressed through a variety of methods including, but not limited to, front loading of prior year skills, incorporation of related pre-requisite standards with grade level standards, and/or individualized learning paths to assist small groups and individuals in standards/skill mastery.
- All meetings (parent-teacher conferences, special education, etc.) will be held remotely when possible.

Elementary Plan

Traditional Model Kindergarten:

- Kindergarten Readiness Assessments and required screeners will be administered in accordance with MDE guidelines.
- Additional screeners and diagnostic assessments will be administered to determine baseline data, adjust essential standards, and adapt instruction to best meet the instructional needs of students.
- Students will be exposed daily to a minimum of 330 minutes in academic tasks including, but not limited to, direct instruction, independent learning tasks, socially distanced small group instruction, and/or one-on-one instruction. WVSD's Learning Management System (LMS), Google Classroom will be incorporated in daily instruction.
- **Student grades and promotion will be determined by WVSD policy.**

- Parents will be kept up to date on student progress through a variety of communication methods (i.e. parent/teacher conferences, progress reports, SchoolStatus, report cards, etc.).
- Remediation and intervention will occur based on student progress/need and will be monitored in accordance with state and federal guidelines.
- English Language Proficiency Test (ELPT) will be administered in accordance with MDE guidelines.

Virtual/Short-term Closure Model Kindergarten:

- Kindergarten Readiness Assessments and required screeners will be administered in accordance with MDE guidelines. Arrangements will be made for assessments to be given online and/or in person.
- Additional screeners and diagnostic assessments will be administered using the Google Classroom platform to determine baseline data, adjust essential standards, and adapt instruction to best meet the instructional needs of students.
- Students will be exposed daily to a minimum of 240 minutes in academic tasks including, but not limited to, recorded and/or live online direct instruction, independent learning tasks, remote small group instruction, and/or remote one-on-one instruction.
- **Student grades and promotion will be determined by WVSD policy.**
- Parents will be kept up to date on student progress through a variety of communication methods (i.e. Google Classroom updates, remote parent/teacher conferences, progress reports, SchoolStatus, report cards, etc.).
- Remediation and intervention will occur based on student progress/need and will be designed based on student progress and online formative assessments.
- English Language Proficiency Test (ELPT) will be administered in accordance with MDE guidelines.

Process Standard 13.2

(Rule)

Districts must ensure that during the academic school year a minimum of 140 hours of instruction is provided for each Carnegie unit of credit offered and 70 hours for each one-half (1/2) unit offered.

(Proposed Suspension and/or Revision of Rules)

The MDE approved an additional one-year suspension of the minimum of 140 hours of instruction required for each Carnegie unit of credit and 70 hours for each (1/2) unit offered for the 2020-2021 school year. The suspension will allow districts flexibility within their reentry plans/scheduling options in an effort to comply with MSDH and CDC guidelines as a result of COVID-19 during the 2020-2021 school year.

(Proposed One-year Suspension and/or Revision)

WVSD Schools will ensure that during the academic year a minimum of 90 hours of instruction is provided for each Carnegie unit of credit offered and 45 hours for each one-half (1/2) unit offered.

Grading for students in the traditional classroom setting and/or online environment will follow the same WVSD Schools grading policies. Students who have an average of 65 or higher in a course receive a Carnegie Unit for the course.

The curriculum and instruction department, instructional coaches, and teachers restructured pacing guides for the 2020-2021 school year to include standards not taught last year. Standards will be scaffold into classroom instruction where they best fit during the 2020-2021 school year. WVSD has prioritized content standards for all state tested courses. By prioritizing standards teachers will have more time to teach the most important standards to depth. Remediation of standards not mastered by students during the 2019-2020 school year will be retaught in classroom instruction as well as supported through the Multi-Tier System of Supports (MTSS) process.

Assessments play an important role for all students of WVSD Schools. Whether learning online or in a traditional classroom setting students will be assessed through observation, academic tasks, and assessments. Students will be assessed both in formative and summative fashion.

Formative assessment practices will drive the adaptation of instruction based on student academic needs.
